

SAY:

Welcome to Let's Play! Pac-Man style! We are glad to have you here and hope that you enjoy your experience and the lessons that you will learn along the way. This game is an interactive and fun way for you to experience the potential positive and negative effects of life choices. The MAZE is designed for you to receive a natural consequence at different levels in the game as you play. The levels consist of a health/pregnancy track and a substance-abuse track. Like any game; there are
